

Golf Reservation System:

1. Guaranteed starting times on Quinta do Lago golf courses are allocated to all members occupying a villa at the Four Seasons Country Club. The times allocated to the club are 15 times counting from the first time in the morning (7:30ish) and 8 times at approximately midday. At periods when all the times are not required the club will release those that are not taken up. This is done at six months and again at one month prior to the month of play. To maintain, as far as possible, the first and second hour periods in the morning this will be done by retaining the times from the first time in the morning counting forward and the last time counting backwards i.e. the times in the middle will be released. For midday periods, times are released maintaining one block of times only.
2. Golf planners are sent with the welcome letters to members 13 weeks in advance of the arrival date and we would ask that members advise us of their golfing requirements as soon as possible. These can also be emailed to us.
 - Golf will be booked on a first come first serve basis.
 - Handicap certificates must be produced when required.
 - Cancellation policies are applied and authorized only by the respective courses.
3. For 2019 the club has decided to suspend the weekly Stableford competition and to review the position with that again at the end of the year.
4. All bookings for golf may be made either by email, fax, letter or golf planner. Golf bookings will not be accepted via telephone.
5. Times for 9 holes on Quinta do Lago are available in the afternoon. These times are at a discounted rate and should be booked on the day of play.
6. All members of the Four Seasons Country Club have a 25% discount on buggies, electric trolleys and pull trolleys on Quinta do Lago golf course.
